

Assembly Instructions A800-03 & A800-04 Document Display

Refer to illustration at left. *NOTE: The unit you are assembling may look slightly different than the illustration.*

1. Attach writing panel (1) to document protector display assembly (2) using bolts, flat washers and hex nuts (4, 5, 6). Tighten securely.
2. Attach upper display panel (3) to document protector display assembly (2) using bolts, flat washers and hex nuts (4, 5, 6). Tighten securely.
3. **Model A800-03**...Securely mount wall mount (item 7,) to wall, column or other suitable support. Make sure nothing will interfere with proper positioning of display assembly (assembled in steps 1 & 2).
-or-
Model A800-04...Assemble floor mount (items 8-11,) and secure to floor. Make sure nothing will interfere with proper positioning of display assembly (assembled in steps 1 & 2).
4. Slide display assembly on top of wall mount or floor mount.
5. (A800-04 only) Adjust height by loosening thumb screws (11) and sliding top portion of stand up or down. Securely tighten thumb screws.
6. Install page protector pockets into pocket support.
